WEBSITE DESIGN ASSIGNMENT

ASSIGNMENT:

Coffee App Interactive Prototype

OBJECTIVE:

Create a prototype for a fictional coffee ordering website. The wireframe for this project will be supplied during the in class assignment. Use that wireframe to inform your design.

DELIVERABLES:

A link to an interactive prototype in Adobe XD or Invision. The user should be able to click through the prototype and be able to do **ONE** of the following user goals:

- Order a small hot coffee with one cream for Eric
- Order two large, hot coffees with two cream and sugar for Sarah
- Order a medium iced coffee with sugar for Dalton

TECHNICAL REQUIREMENTS:

- A unique URL to your interactive prototype in Adobe XD or Invision.
- The website should be desktop sized – minimum of 1440px wide by 768px tall

Note – See the following articles to learn how to create URLs in Adobe XD or InVision.

TIMELINE/DUE DATE:

Monday, January 29 – Beginning of Class
